

## LaCie d2 Hard Drive Extreme with Triple Interface

160GB, 250GB, 300GB & 500GB capacity

**d2**  
**HARD**  
**DRIVE**  
**EXTREME**

**TRIPLE INTERFACE FOR UNIVERSAL CONNECTIVITY  
AND FASTEST FW800 EXTREME SPEED**

### ● NEXT-GENERATION SPEED

Equipped with the fastest-ever FireWire standard, this drive is capable of reaching transfer speeds of up to 61MB/s for FireWire 800 users, up to 40MB/s for FireWire 400 users, and up to 34MB/s for USB 2.0 users\*\*\*. This drive's triple interface, 7200rpm speed and 8MB buffer make it the fastest-possible storage solution with universal connectivity.

### ● UNMATCHED CONVENIENCE

With plug and play convenience, the LaCie d2 Hard Drive Extreme with Triple Interface is hot-pluggable for file transfer and data sharing. With the appropriate cable, this hard drive can be connected to any computer equipped with FireWire 800 (9-pin), FireWire 400 (6-pin), iLink (4-pin), USB 2.0 or USB 1.1 ports, making it the most universal drive ever.

### ● ADVANCED VERSATILE DESIGN

Made of a metal alloy that dissipates heat and prolongs drive performance, the LaCie d2 Hard Drive Extreme with Triple Interface features a slender, sturdy body that can stand upright on your desk, be rack-mounted, or stacked to save desktop space. The 160GB, 250GB and 300GB drives are fan free, which allows for ultra-quiet operation. At 500GB, a quiet "smart fan" automatically adjusts itself depending upon temperature to protect the drive, and provide the quietest possible operation.

### ● UNLIMITED USES

Ideal for a variety of applications, a 500GB LaCie d2 Hard Drive Extreme with Triple Interface can store 100,000 MP3 songs and more than 32 hours of digital video from DV camcorders. Chained and striped in a FireWire 800 RAID 0 configuration, it can reach unprecedented sustained transfer rates of up to 100MB/s, making it ideal for working with professional video in high-end workstation and small-server environments.

- **FIREWIRE 800**
- **FIREWIRE 400**
- **USB 2.0**

- Large capacities up to 500GB
- Up to 800Mbps/s per bus & up to 61MB/s transfer rate
- Ultra-quiet design with cooling technology
- Up to 50% faster than first generation FireWire 800 drives\*\*

## FEATURES

- FireWire 800, FireWire 400 and USB 2.0 interfaces
- Driver-free for Mac OS X, Windows 2000 & Windows XP
- Ultra-quiet operation, fan-free design (160GB-300GB)
- Kensington® lock compatible
- Quiet "Smart Fan" system for 500GB drive
- Stack, rack-mount or stand upright on your desk
- Slim, sturdy, heat-dissipating design

## BOX CONTENT

- FireWire 800 to FireWire 800 (9-to-9 pin) cable
- FireWire 400 to FireWire 400 (6-to-6 pin) cable
- iLink/DV (6-to-4 pin) cable
- Hi-Speed USB 2.0 cable (USB 1.1 compatible)
- drive stand for upright desktop use
- external power supply
- LaCie Storage Utilities CD-ROM:
- Silverlining Utilities (Mac OS 9) for advanced drive management
- SilverKeeper (for Mac) software for automatic backup and file verification

## SYSTEM REQUIREMENTS

- FireWire 800 equipped computer (9-pin): Mac OS 10.2 or greater; Windows 2000 or Windows XP
- FireWire 400 equipped computer (6-pin) or iLink (4-pin): Mac OS 9.x and 10.x; Windows 2000 or Windows XP
- Hi-Speed USB 2.0 equipped computer: Mac OS 10.2.x or greater; Windows 2000/XP
- USB 1.1 equipped computer: Mac OS 9.x/10.x; Windows 2000/XP
- Intel Pentium II 350MHz-compatible or Apple G3 processor or greater; minimum 64MB RAM
- Apple G4 processor required for use with FireWire 800

## LaCie d2 Hard Drive Extreme with Triple Interface

capacity*	160GB	250GB	300GB	500GB
item number	301033	300790	300791	300793
interface	2 x FireWire 800 (9-pin) ports; 1 x FireWire 400 (6-pin) port (compatible with iLink, DV); 1 x Hi-Speed USB 2.0 (compatible with USB 1.1)			
interface transfer rate	FW 800: up to 800Mbps/s (100MB/s); FW 400: up to 400Mbps/s (50MB/s); USB 2.0: up to 480Mbps/s (60MB/s)			
data transfer rate	FW 800: up to 61MB/s; FW 400: up to 40MB/s; USB 2.0: up to 34MB/s			
rotational speed	7200rpm			
average seek time	<10ms			
cache size	8MB minimum			
software configuration	driver-free for Windows XP, Windows 2000 and Mac OS X; Silverlining for Mac OS 9; SilverKeeper for easy backup with Mac OS 9 & Mac OS X			
weight	3.31 lbs / 1500 g			
dimensions (WxHxD)	1.7 x 6.3 x 6.8 in / 44 x 160 x 173 mm			
warranty	US: 1 year limited / Europe: 2 years limited			

\*1GB (gigabyte) = 1,000,000,000 (1 billion) bytes. Total accessible capacity varies depending upon operating environment (typically 5-10% less).

\*\*LaCie d2 Hard Drive Extreme maximum performance using FireWire 800 connection when tested and compared with LaCie first-generation FireWire 800 drives.

\*\*\*Depends on the computer configuration.
